

The Top 5 Ways to Declutter Your Car

KathiLipp.com

1. Your Plan of Attack - where is the best place to clean out your car?
I do the two step approach - declutter at home, clean up at the gas station
2. Sort it Out: 3 Boxes 2 Bags
Put back - goes in the car
Other rooms - anything that belongs in the house
Give Away - Leave in the car so you can drop it off at a donation station
Garbage - throw it out at the gas station
Recycling - take back to the house
I can also sort while I'm waiting - for my kids, for my husband, etc.
3. Clean it UP Clorox Wipes, Windex Wipes in the car lint roller
When I clean up at the gas station, I like to take a vacuum to the interior and about once a month get it washed.
4. Label it And Put It Away - a car caddy and a hook for bags
(so I can hang my purse in the back A box of emergency stuff for the back of my car.
5. Keep It Up - We fill up our tank once a week.
